GANA Educational Foundation Announces 2008 Scholarship Recipients

The Glass Association of North America (GANA) Educational Foundation has announced the recipients of its 2008 Scholarships. Each winner received a \$1,000 scholarship for studies in the architectural/construction field.

This is the second year of the scholarship program, which has been funded through GANA's BEC Conference for the past seven years.

The recipients of this year's scholarships were:

- Sarah Brockhaus, a sophomore at University of Oklahoma majoring in construction science;
- Mark Honzay, a senior at North

Dakota State University majoring in architecture;

- Mike Poupore, a sophomore at the University of Miami majoring in architecture;
- Parag Rastogi, a sophomore at Purdue University majoring in civil engineering;
- Alex Rome, a sophomore at the University of Wisconsin, Stout, majoring in construction; and
- Cory Sisler, a junior at Minnesota State University, Mankato, majoring in electrical engineering technology.

Amesbury Locca Receives 2008 Best of Sioux Falls Award

The U.S. Local Business Association (USLBA) selected Amesbury Locca in Sioux Falls, S.D., for the 2008

Amber Grayson, Amesbury Locca director of sales and marketing, received the award on behalf of the company.

Best of Sioux Falls Award in the Doors category.

Each year, the USLBA identifies companies across the country that they believe have achieved exceptional marketing success in their local community and business category. The 2008 USLBA Award Program focused on quality. Winners were determined based on information gathered both internally by the USLBA and data provided by third parties.

Saflex® Makes Waves

Fresh from winning the 2008 Junior New England Championship at the Marblehead Yacht Club, Team Saflex—the yacht team sponsored by the St. Louis-based company—under skipper Ian Schillebeeckx, took second place in the 2008 Junior World Championships. Held in July in Montreal, Team Saflex represented the United States in the Lightning Class division.

Saflex has sponsored the Juniors Sailing team for the past three years.

“We are pleased to be able to continue to support Ian and his crew during the 2008 regatta season,” says Luc De Temmerman, president of Solutia's Saflex business. “At Saflex, our team commits tremendous energy and resources to developing products that improve people's lives. This talented group of young sailors put a similar dedication and commitment into their sport, and we are proud to have them sailing under the Saflex name.”
